

Westpine Brickell Gets Utilities For 328 Residential Units

September 26, 2023 · 143 Comments

The developer planning the 43-story Westpine Brickell tower has signed an agreement with Miami-Dade's Water & Sewer Department to supply utilities to the new development.

According to the September 14 agreement, Westpine Brickell is planned to include:

- 328 apartments
- 1,600 square feet of full service restaurant

Timothy Haskin, listed as the authorized signatory, signed the agreement on behalf of Westpine Brickell LLC.

The project will also have 357 parking spaces, according to plans filed with the county previously.

In June, Westpine obtained FAA approval for a permanent height of 499 feet above ground, or 510 feet above sea level.

Also in June, a tree permit was approved for the property.

Behar Font Partners is the architect.
